

2020 CAMPAIGN FOR RESILIENCE

Rise Above the Storm

Connected 83 trainees through virtual learning platforms. Completed 3 cohorts of ESL and career pathway classes with 100% graduation rate.

Maintained income security for over 560 individuals and families by navigating them through unemployment benefits, other safety net programs, and non-traditional cash assistance. Directly disbursed more than \$156,000 emergency cash assistance.

Protected small businesses and jobs with technical assistance, webinars, and government relief programs for over 420 entrepreneurs and helped secured over \$1 million in small loans or grants.

Your support makes these services possible!
