

Let's improve health care for all – together.

Take your career to the next level while helping people meet – and exceed – their health care goals at Molina Healthcare.

Our mission is straightforward and drives everything we do. We provide quality health care to Medicaid- and Medicare-eligible individuals across the country.

Join and grow within an organization that believes in helping you find career fulfillment while improving the lives of our members.

When you join Molina, you're joining more than a Fortune 500 company. We are dedicated to providing every employee with a meaningful work experience – known as **The Molina Experience**. The Molina Experience includes being intellectually **stimulated**, emotionally **fulfilled** and financially **rewarded**.

It also offers and great well-being benefits and perks like:

- Medical, dental and vision health plans
- Paid time off & paid company holidays.
- Career growth, including education reimbursement.

And so much more!

We're looking for exceptional talent like you for the following open positions:
