Job description – Plumber

About us:

BROAD U.S.A. is a privately held company headquartered in Hackensack, New Jersey. BROAD delivers innovative solutions in three product areas:

- Absorption chiller and Electrical chiller
- Air Purification, Filtration and Ventilation systems
- Modular construction: BROAD's B-CORE stainless steel structural technology builds sustainable buildings with an unlimited service life

About the role:

We are looking for an experienced and skilled Plumber to join our team! As our Plumber, you will be responsible for install, repair and maintain pipes, valves, fittings, drainage systems and fixtures at commercial building facilities, or at construction sites for HVAC systems and cooling, heating, and ventilation for buildings and facilities. Your projects will be primarily in, but not limited to, the New York Tri-State area.

Responsibilities:

- Install, repair, and maintain pipes, valves, fittings, drainage systems, and fixtures in commercial, residential and industrial structures.
- Collaborate with general contractors, electricians, mechanical technicians and other construction professionals.
- Follow building plans and blueprints.
- Respond to, diagnose, and resolve plumbing emergencies.
- Prepare bids, budgets, and cost estimates.
- Perform routine inspections of plumbing and drainage systems.
- Light construction, carpentry, painting, plastering, flooring, ceiling and electrical work as required
- Keep accurate records of time spent working, description of work performed and materials
- Support our account engineers with HVAC equipment and system assembly, installation repair and maintenance, stainless steel building field installation, assembly and repair etc.
- Maintain a clean and safe work environment

BROAD U.S.A. INC.

401 Hackensack Avenue, Suite 503, Hackensack, NJ 07601 Phone: (201) 678-3010 Fax: (201) 678-3011 WWW.BROADUSA.COM

Qualifications:

- 2+ years' experience as plumber or similar role
- 2+ years of experience using a variety of plumber material, equipment, machinery and procedures
- 2+ years' of experience and skills in using electrical or manual tools
- Familiarity with PVC, CPVC, PEX, cast iron and copper
- Knowledge of relevant building codes, safety regulations, standard and practices; and willingness to use protective clothing (face-shield, gloves etc.)
- Ability to read and interpret technical documents and drawings
- Attention to detail, critical thinker, and problem-solving skills
- Ability to perform multiple tasks simultaneously
- Team player with good time self-management skills
- Great interpersonal and communication skills
- Master Plumber License or other professional certification/license

Salary Range:

- \$45,000 to \$125,000 (commensurate with experience and performance)

Compensation:

- Compensation package is a blend of salary and incentives
- Medical benefits, retirement plan

BROAD is an equal opportunity employer
